

Hi Hiring Manager:

As a highly skilled engineer with 9 years of experience, I am writing to express my interest in your job about embedded software engineer. During my past 9 year of engineer experience, I have spend over 6 years in multinational company ,include Cisco and AMD. I have focused on C/C++ over ten years, and have built so many wonderfull products and ideas, And I am also easy to develop with any language when necessary. I have been exposed to and mastered many aspects of technology, such as ARM, linux, MCU, GPU, VIDEO and so on, and I am still will to try different areas. I want to try seek all kinds of challenge in challenging areas ,and I believe your job will be my next unique opportunity. Waiting for your further information.

Best Regards

Jingliang Jiang
