

Hi Hiring Manager:

As a highly skilled engineer with 9 years of experience, I am writing to express my interest in your job about IT related. First of all, I must point out that I was a good IT support boy when I was in university, I got enough money for my daily life by maintaining PC and other devices of my friends. During my past 9 year of engineer experience, I have spend over 6 years in multinational company ,include Cisco and AMD. And I also working in a asic company, I worked as a software engineer and IT team leader. Besides my excellent software skills, I also have massive experience on maintaining IT equipment and office equipment. And I am good at using good all kinds of electrical tools: such as saw, totray, cutting machine. and be pride of manual work. And I even have design and built my house by myself in my homnetown. I want to try seek all kinds of challenge in challenging areas ,and I believe your job will be my next unique opportunity. Waiting for your further information.

Best Regards

Jingliang Jiang
